PARENT GENERAL INFORMATION

School times

Growing Minds Play School opens at **07h00** and closes at **17h00** Monday to Friday. Children must be accompanied by an adult into the school and handed over to the person on duty each day and not left at the gate to enter by him / her self. Likewise, children must be fetched personally. Breakfast is served at 08h00 therefore please make sure your child arrives before 08h00. The gates will not be opened should your child arrive after 08h30.

Parents are requested to make every effort not to be late for collection as it upsets a young child terribly if all the other children leave and he/she is kept waiting. An R80 penalty fee for late collections will be charged. Should you contact us to say you are running late, this penalty will not apply. If it happens more than twice in a month, the penalty fee will apply.

Security at home time

Please understand our concern regarding the collection of your children at home time. We will not allow a child to be picked up by anyone other than a parent (or a chosen 'pick up' person given on the Enrolment Form), unless prior arrangement has been made. If you have arranged for your child to go home with someone else, please let us know by way of a note in your child's notebook. If it is a last minute decision (e.g. you are stuck in traffic), please phone the school.

School uniforms

Boys and girls wear the same uniform. Growing Minds Play School uniforms are to be worn every day for all children 18 months and older.

Summer: Growing Minds t-shirt, Growing Minds navy shorts/skorts and school hat (no hat no play)

Winter: Growing Minds long sleeve shirt and Growing Minds full tracksuit

Footwear for both girls and boys

Summer: Sandals – parents are free to choose SUITABLE sandals for your child.

Please consider the following when buying sandals:

- Sandals should have a solid back or back strap that supports the child's foot
- The child should be able to manage the sandals independently

Winter: Covered shoes with Velcro flap fastenings

Children are not allowed to wear:

- Slip slops
- Shoes with high heels
- Lace-ups (unless your child can tie bows proficiently)

Any money or reply slips etc. should also be handed in with the notebook. Please ensure that any monies sent to school are placed in a sealed envelope and clearly marked with your child's name and what the money is meant for. Please ensure that your child's notebook is read and signed daily.

Communication Policy

There are regular newsletters emailed home as well as items of interest on noticeboards in the classrooms. Our Growing Minds broadcast WhatsApp group is a very effective means of communication for reminders and general information. Linda Marais, our Principal is always available on the school property Monday – Friday 8:00am – 3:00pm, should you have any queries or concerns.

Baker – Baker

Friday is Baker – Baker day where the children take turns to bring 'treats' to school to share with their friends. This is an opportunity for you and your child to have some quality time together and bake / make something special for the class. Please may I ask for Baker Baker to be homemade rather than purchased. The children love to share their 'baking' story with their friends. A list will be sent out with the dates that are applicable to your child.

Birthday Rings

In every child's life, their birthday is a very exciting event and day. Parents are welcome to bring along a cake and some party treats on your child's birthday. A special birthday ring is also arranged where parents are encouraged to stay for this special time. Dates will be placed in the notebooks.

Change of details

Please update us on any change of address, telephone numbers and any other information that you think we should know about in order to keep all children's files up to date.

Sickness or accident

Our staff at Growing Minds Play School maintain up to date First Aid qualifications and have extensive knowledge of child illnesses and symptoms. For the safety and well-being of all, we are unable to accept your child if he/she is unwell. A child with a runny 'yellow or green mucus' nose, a persistent cough, a temperature or contagious illness should not be brought to school.

Should a child develop symptoms whilst at school, parents will be notified immediately to collect their child. It is expected that a parent or emergency contact will collect within one hour of being contacted.

Please contact the school if your child will not be attending due to ill health as we track illnesses and symptoms closely to reduce the risk of contamination and spread of illness. Please notify the school before 09h00.

If your child injures themselves during school, it will be written in our accident / incident book. The injury will also be noted in your child's notebook. Parents will always be notified by the Principal of the accident / incident, irrespective if it is minor or major.

Medication

No medication is to be placed or left in a child's school bag. Growing Minds Play School will not administer any medication to any child as it is not permitted in terms of legislation.

Should we require administering in an emergency, written permission must accompany any medication and our Medication Form must be completed giving staff approval to administer any medication.

Emergency Procedures:

The personal safety and security of children, staff and visitors is of prime importance. Emergency procedures, drills and evacuations are carried out on a regular basis to ensure that the staff and children are aware of, and understand, such evacuation and emergency procedures. Parents who are on site during such a drill are required to participate fully. Exits are clearly marked and evacuation procedures are displayed on the wall of each classroom. These practices are always talked through with the children to avoid concern.

Potty Training

Children who are not potty trained must supply nappies, wipes and bum cream daily in their school bag. Growing Minds Play School will assist in the potty training process and will offer some useful tips. However, for the system to work it is important for parents to work in conjunction with us and reinforce the method and training at home. This is a very special and delicate time.

Sun Protection Policy:

Staff encourage our children to use 'sun safe' practices, such as applying sun cream and wearing their Growing Minds wide brimmed hats when outside. We have a No Hat No Play policy. Parents are asked to apply sunscreen to their child before drop off in the mornings. Staff will reapply sunscreen before going outside in the afternoon. Please ensure roll on sunscreen is always in your child's school bag.

Toiletries

All parents are requested to please supply the following at the beginning of **each term**:

- 4 packs of wet wipes (80 wipes per pack)
- 2 toilet rolls
- 1 x 200ml hand soap dispenser (anti-bacterial)

Labelling of all items

Please ensure that all items of clothing, school bags, bottles etc. are labelled with your child's name. Should it not be labelled and we are unable to identify which child it belongs to, it will be placed in the lost property box. Please be reminded that Growing Minds Play School takes no responsibility for lost or broken personal items.

Open Door Policy

Growing Minds Play School has an open door policy at all times. Should you have any concerns or queries, please write a note in your child's notebook or send an email and we will respond accordingly. Continuous feedback is given to all parents throughout the year. Parents and family are most welcome into the school at any time. Parent participation sends strong, positive messages to your child that you support them and are a part of their Early Learning environment.
